

Student Information Management System(SIMS)

Dear Students,

Visit <http://sims.bvb.edu/> to check the live status of your Attendance and MINOR / IA Exam Marks from SIMS website daily..... Principal.

The Student Information Management System(SIMS), a product of Software Consultancy Cell, B V Bhoomaraddi College of Engg & Tech, Hubli is a comprehensive student information system developed exclusively to enhance College Administration and Students' Information Management.

The Students of BE/ MCA/ M.Tech courses are hereby informed to access the SIMS (Student Information Management Systems) to know live status of their Attendance and MINOR Exam Marks. Students can get an access to SIMS from any PC connected to LAN from all the departments.

SIMS ACCESS : STEPS TO FOLLOW :

- 1) Open SIMS website home page using URL <http://sims.bvb.edu/> - from any client browser.
- 2) Click on Student Login- to access the Student Login page.
- 3) From the Student Login Page- Enter your VTU Number.
- 4) Select your Date of Birth from Calendar as a Password.
- 5) Now you can access live information about your attendance, MINOR Exam Marks and your profile.
- 6) Ensure log-out before you quit the system.

For any further information send mail to scc@bvb.edu
